

What is Canvas?

Canvas is a cloud-based learning management system that allows teachers and students to create and share content from any web-enabled mobile device. It extends the walls of the classroom by allowing students to participate in assignments, assessments and discussions from anywhere and provides the needed safety and security that we demand when students are online. All announcements and due dates come with notifications can that be customized.

How do I log in to Canvas the first time?

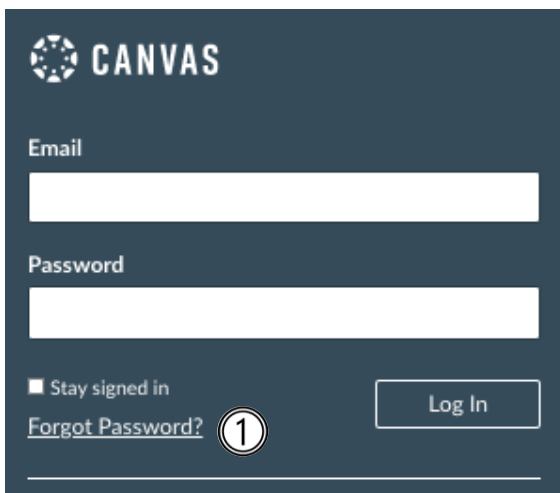

The first time that you log in, please go to:

<https://canvas.lidi.global>

Click on:

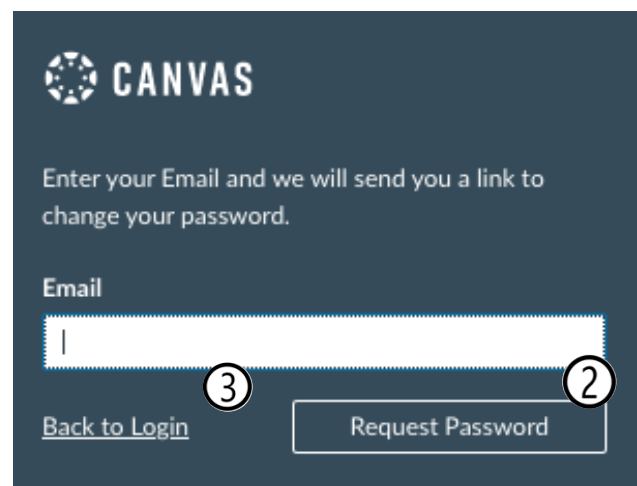

1. Click on "Forgot Password?" [1]
