## Tuition Payment via USD

USD payments will only be accepted by telegraphic transfer (TT) to our American bank account. The payment will be based on the exchange rate of the first day of the month of the transfer. (Any transfers in August will be based on the exchange rate of August 1.)

## Late Fees

Payments received 1 to 10 business days after the due date are subject to a **¥500 late fee**, unless other arrangements have been made with the finance office. Payments received 11 to 19 business days after the due date may be charged a late fee of 1% of the total tuition. If payments are not received by day 20, students may be excluded from classes until payment is made. Report cards and transcripts will be withheld from students whose accounts are delinquent.

## Tuition Refund Policy

- If a student withdraws early, tuition will only be refunded for full quarters not attended.
- If a student applies and is accepted into the school after the beginning of the school year, tuition will be charged for the full quarter of entry.
- No portion of tuition shall be refunded for a student dismissed by expulsion or for disciplinary reasons.
- Tuition and fees are not transferable to another student.

## Notes

- Parents are the responsible party to see that (a) payment is properly made, and (b) the school is properly notified of payment.
- Registration is not considered complete until the registration and capitol fee have been received.
- All transfer fees must be charged to the payer's account, not taken out of school tuition. In addition, a bank transfer receipt that includes the student's name must be presented to the school office within five days of the transfer so that the payment can be credited in a timely manner.
- In case of an early withdrawal with unpaid tuition or fees still outstanding, school records will not be released or transferred, nor will academic credit be granted until that account is paid in full.
